Explanations	

Following the Board of Directors' decision to open a branch in Aksaray University Teknopark in order to support industry-academia collaboration and local entrepreneurship and create an innovation hub, the necessary procedures have been completed and the decision to open the branch was registered on July 29, 2024 and announced in the Turkish Trade Registry Gazette No. 11131 of the same date.

The branch will focus on engineering, natural sciences, informatics, digitalization, sustainability, and innovation projects and will not have any material impact on our Company's financials in terms of investment cost. It is foreseen that the branch will start its operations on August 6, 2024.

Kindly submitted for your information.

(In case of a discrepancy between the Turkish and the English versions of this disclosure, the Turkish version shall prevail.)

We proclaim that our above disclosure is in conformity with the principles set down in “Material Events Communiqué” of Capital Markets Board, and it fully reflects all information coming to our knowledge on the subject matter thereof, and it is in conformity with our books, records and documents, and all reasonable efforts have been shown by our Company in order to obtain all information fully and accurately about the subject matter thereof, and we’re personally liable for the disclosures.
