Explanations	

It has been learned that a lawsuit has been filed by Kardeşler Rot Balans Otomotiv Kaplama Sanayi ve Ticaret Limited Şirketi for the annulment and deferral of execution of all the General Assembly resolutions on the grounds of the dissenting opinions put forward at the 2023 Ordinary General Assembly meeting of our Company held on April 19, 2024, which were also added to the minutes of the meeting and disclosed to the public in the relevant channels. It is known that the named plaintiff is a former dealer of our Company and also a shareholder with a very low shareholding as of the date of the General Assembly.

Both the termination of the related dealership agreement and all processes related to the General Assembly were carried out in accordance with all legal grounds and regulations. Necessary legal proceedings have been initiated regarding this lawsuit, which is considered to have been filed in bad faith and without legal basis, and our legal rights will be exercised within the framework of the interests of our Company and our shareholders.

Developments regarding the lawsuit will be announced to the public in accordance with the relevant legislation.
